

Joint Conference on Biometrics & Biopharmaceutical Statistics

August 28 – September 1, 2017

Programme Corrections

- The list below contains programme corrections that are not included in the printed “Conference Programme” and were reported to the SPC until 23 August 2017, 16:00.
- Programme corrections after this time point will be announced for each day in all lecture halls during the breaks.
- The online programme (iPlanner) accessible via the conference website www.cenisbs2017.org always contains the latest corrections.
- If a talk is cancelled then the subsequent talks in the respective session will start accordingly earlier.
