

Quantifying Life. Advancing Research. Enabling Decisions.

Call for applications: Young Statisticians Session at CEN ISBS

Idea

The Young Statisticians Session can be seen as prestigious rehearsal. As a chosen Young Statistician, you can present your research in English in a friendly atmosphere with the opportunity to get feedback on your presentation (performance, content, layout, etc.). The chosen Young Statisticians will be invited to the conference and to the conference dinner and receive a certificate.

Who should apply?

- Students at the end of their bachelor's or master's thesis or
- Post-graduate students in their first year.

Your presentation should preferably cover the topic of your bachelor's or master's thesis. It can also include work in progress if no final research results are yet obtained.

Application and selection procedure

The YS committee of the CEN ISBS will decide on the applications. Please submit your abstract via the conference website (cenisbs2017.org) and select 'This abstract is intended as oral presentation at the Young Statistician Session.' Additionally, send an email including your Abstract ID and a short CV focusing on your studies to

ag-nachwuchs@googlegroups.com.

The deadline for uploading your abstract via cenisbs2017.org and sending us your study-related CV is

17th March 2017.

You will be notified about the decision regarding your abstract until Tuesday, 28th March 2017, i.e. not later than 3 days before the CEN-ISBS abstract submission deadline. Should your abstract not be selected for the YS-session, it will be considered as regular submission in the reviewing process and a decision on acceptance or rejection will be sent to you by 15th May 2017.
